LET GOD SEND YOU

During the last few days people have been on the street corners in Riverview collecting money for the homeless. Any time there's a red light they come out with a bucket toward the stopped cars. I admire their effort - that can't be an easy task. I'm sure many people do everything they can to avoid making eye contact with them as they walk by. Deal with that for hours and I suspect you start to wonder if you look funny . . .

Even though it's hard sometimes to find ways to reach out to people I'm glad some still try. As Christian people we are called to let God be our example in loving people: "We love because he first loved us . . . And he has given us this command: Whoever loves God must also love his brother." (1 John 4:19,21) What opportunities do you have to love the people around you? Yes - YOU. It won't always be comfortable or easy but I know God will place opportunities in your life for you to love your neighbor. Perhaps an elder will approach you someday saying, "Hey, we really need a volunteer for this ministry." And when that happens you can do everything you can think of to avoid eye contact or you can say what Isaiah said: "send me!"

CALL TO WORSHIP

The First Prayer offered in Congress on September 7, 1774 by Jacob Duche

O Lord our Heavenly Father, high and mighty King of kings, and Lord of lords, who dost from Thy throne behold all the dwellers on earth and reignest with power supreme and uncontrolled over all the kingdoms, empires and governments; look down in mercy, we beseech Thee, on these our American States, who have fled to Thee from the rod of the oppressor and thrown themselves on Thy gracious protection, desiring to be henceforth dependent only on Thee. To Thee have they appealed for the righteousness of their cause; to Thee do they now look up for that countenance and support, which Thou alone canst give. Take them, therefore, Heavenly Father, under Thy nurturing care; give them wisdom in council and valor in the field; defeat the malicious designs of our cruel adversaries; convince them of the unrighteousness of their cause and if they persist in their sanguinary purposes, of own unerring justice, sounding in their hearts, constrain them to drop the weapons of war from their unnerved bands in the day of battle!

Be Thou present, O God of wisdom, and direct the councils of this honorable assembly; enable them to settle things on the best and surest foundation. That the scene of blood may be speedily closed; that order, harmony, and peace may be effectually restored, and truth and justice, religion and piety, prevail and flourish amongst the people. Preserve the health of their bodies and vigor of their minds; shower down on them and the millions they here represent, such temporal blessings as Thou seest expedient for them in this world and crown them with everlasting glory in the world to come. All this we ask in the name and through the merits of Jesus Christ, Thy Son and our Savior. Amen

This past Thursday, May 7th, our country took time out to observe "The National Day of Prayer". May we all commit to praying daily for our country and each other.

Love, Chuck

Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone.
