Prayer	B. Smith	M. Perry
Song Leader	L. Montgomery	D. Smith

Whereas it is the duty of all Nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for his benefits, and humbly to implore his protection and favor—and whereas both Houses of Congress have by their joint Committee requested me to recommend to the People of the United States a day of public thanksgiving and prayer to be observed by acknowledging with grateful hearts the many signal favors of Almighty God especially by affording them an opportunity peaceably to establish a form of government for their safety and happiness.

Opening quote from the Thanksgiving Proclamation signed by George Washington, President of the United States of America, October 3, 1789

ELDERS' EDIFICATION AND ENCOURAGEMENT CORNER

HANDS

A basketball in my hands is worth about \$19.
 A basketball in Michael Jordan's hands is worth about \$33 million.
 It depends whose hands it's in.

A baseball in my hands is worth about \$6.
 A baseball in Johan Santana's hands is worth \$4.75 million.
 It depends on whose hands it's in.

A tennis racket is useless in my hands.
 A tennis racket in Venus Williams' hands is championship winning.
 It depends whose hands it's in.

A rod in my hands will keep away a wild animal
 A rod in Moses' hands will part the mighty sea.
 It depends whose hands it's in.

A sling shot in my hands is a kid's toy
 A sling shot in David's hand is a mighty weapon.
 It depends whose hands it's in.

Two fish and 5 loaves of bread in my hands is a couple of fish sandwiches.
 Two fish and 5 loaves of bread in God's hands will feed thousands.
 It depends whose hands it's in.

Nails in my hands might produce a birdhouse.
 Nails in Jesus Christ's hands will
 produce salvation for the entire world.
 It depends whose hands it's in.

As you see now it depends whose hands it's in.
 So put your concerns, your worries, your fears,
 your hopes, your dreams, your families
 and your relationships in God's hands because...
 It depends whose hands it's in.
